PAYAL CHAUHAN

Aspiring Full-Stack Web Developer

SUMMARY

Motivated and detail-oriented BCA student with a strong passion for full-stack web development. Seeking an internship or entry-level opportunity to contribute to real-world projects, enhance my technical skills, and grow as a full-stack web developer in a dynamic IT environment.

INTERNSHIP

Web Development Intern

- 6-month internship experience working on live client projects and building responsive web applications.
- Developed web pages using HTML, CSS, Bootstrap, JavaScript and PHP.
- Assisted in Laravel based projects and performed bug fixing and testing.
- Used Git and GitHub for version control and collaboration.
- Improved communication, teamwork and problem-solving skills.

PROJECTS

School Management System (MERN Stack)

- Full-featured School Management System with secure authentication and role-based access
- Features: Add/Edit/Delete students, attendance management, class management, assignments, and result management
- Built RESTful APIs with Node.js and Express.js
- MongoDB used for data storage
- Responsive UI using React.js and Bootstrap
- Deployed on Render (Live link available in GitHub README)

Company Website

- Designed and developed a responsive company website
- Clean and modern UI
- Fully responsive across all devices
- Implemented using HTML, CSS, Bootstrap and JavaScript

Ninja Clone (Frontend)

- A responsive frontend clone of the Ninja website
- Built reusable components with React.js
- Implemented responsive design using Bootstrap
- Focused on UI/UX and cross-browser compatibility

ACHIEVEMENTS & ACTIVITIES

- Completed a 6-month Web Development Internship, working on real client projects and enhancing full-stack development skills.
- Active participant in college technical events and fests.
- Passionate about learning new technologies and building real-world projects.

TOOLS

Git | VS Code | Postman | Render | Netlify | Vercel

CERTIFICATIONS

- Web Development Certificate
